

# ATTENTION PISTOL SHOOTERS

**19 August 2017**

Your local Marine Corps Veterans Group along with the Young Marines of the Marine Corps League invites you to our “Pistol Match” to be held 19 August 2017 at the Camp Bonnyman Pistol Range located at **the** “Seymour Air Park” @ 1010 Boling Road, Seymour, TN. There will be two Matches on this date (1) Center Fire - 9mm and above and (2) Rim Fire match 22cal only. A total of 45 rounds per match, fired in the following order: 5 spotter rounds, 10 rounds rapid fire and 10 rounds slow fire from the 7 yard line, 10 rounds slow fire from the 15 yard line and 10 rounds **slow fire** from the 25 yard line. The cost of each match is \$20.00 and there will be food served after the match. This is a fine range operated by the Young Marine **Unit**, you’ll shoot from one position, the Young Marines will then move your targets and will score them (with adult supervision) for the record. Also benches are provided at each firing point so you will not need to holster for your weapon after each string of fire.

## REGISTRATION

Registration begins at 0900 (You must be 21 years of age to fire) as soon as the first relay gets assigned targets and attends a safety brief the shooting will begin. **To help with the meal count,** please email Jim Williams at [bigjimusc69@gmail.com](mailto:bigjimusc69@gmail.com) to get your name on our list.

## AWARDS

Awards will be given for the Top Gun of each match; **additionally** the Center Fire Match will receive 1st, 2nd and 3rd place medals.

This match is open for anyone who desires to shoot (You must be 21 years of age to fire!) and **have** basic **shooters** knowledge. This is a safe NRA approved range, with NRA qualified safety officers.

**We ask you to come out  
Enjoy a morning of shooting**

## **Support our Young Marines**

**Through Larry and Kathy Winters the Young Marines work with the Youth of today, teaching respect, honor and commitment. The Young Marines travel to different places including Military bases teaching these young men and women how to make it in todays changing world, the Young Marines encourage self confidence, personal responsibility and pride in themselves.**

**Larry Winters built this range we will be firing on for his Young Marines to shoot air rifles in competition with other units. It was built to NRA standards, which means it is perfect for shooting our matches. When we were looking for a place to hold our matches Larry said we could use the Young Marines Range and once I looked at this range I knew we had found the perfect place to shoot. Now to why the price of the Match is 20.00 dollars, half of the entry fee goes back to the Young Marines so in our way we are supporting these fine young Men and Women and investing in our future. This is why I encourage everyone who likes to shoot no matter how well you shoot to come out to our Matches and **SUPPORT THE LT. ALEXANDER BONNYMAN DET. OF THE YOUNG MARINES.****
