

***VOA is STILL open
for business!
We can help!***

**Have you ever served in the military?
Are you facing a housing crisis?**

Supportive Services for Veteran Families

Volunteers of America Mid-States provides case management to connect veterans with needed services and temporary financial assistance to bring stability to their families.

Services or Referrals provided for:

- Housing Stability Planning
- Employment and training services
- Transportation services
- Individualized budget planning
- Income support services
- Legal services
- Other supportive services, including third-party payments to landlords, utility companies, moving companies, and eligible child care providers

All services are FREE to Veterans
